

# Automotive Products Linecard

Suntsu Electronics can help you drive your designs using our family of automotive products suppliers. All our franchised suppliers are IATF 16949:2016 compliant or AEC-Q100/AEC-Q200 qualified.

We can support your designs in ADAS, Battery Management, Infotainment, Lighting, and more. Contact us today for your electro-mechanical, frequency control, and passive electronic components needs.

## Our Component Strengths

					
<b>Frequency Control</b>	<b>Connectors</b>	<b>Switches</b>	<b>Antennas</b>	<b>Capacitors</b>	<b>Cables</b>

## Our Service Strengths

### Sourcing Services

Secure hard-to-find and EOL parts using our skilled global sourcing team.

### Engineering Services

Free your time by tapping our talented engineering team.

### Inventory Management

Eliminate lead-times and cash flow constraints with customized inventory management.

### Manufacturing Services

Boost your designs with our custom components and turnkey solutions.
